Dear Missouri Job's Daughters,

It is very helpful to the Grand Guardian and the adult HIKE Coordinators when daughter HIKE Committee members are appointed. These individuals can render assistance in many ways. They can respond to questions that arise in our Missouri Bethels concerning HIKE. They can act as liaison between the Daughters and the Bethel Guardian Councils, the Grand Guardian and/or the adult HIKE Coordinators. They assist with the Mid-America HIKE and the Lincoln/Truman HIKE. The LT HIKE will be in the St. Louis, Missouri area this fall and the Mid-America will be in the Kansas City area next spring. There is generally a table for HIKE at both Grand Session and Mini Session.

We may also be appointing Jr. Hike Committee members who will work with the Committee and the HIKE Coordinators as well as having specific fund-raising efforts. The Jr. Committee members will be Jobies-to-Bee ages 8-9 and younger members of Bethels ages 10-12. The HIKE Committee members will be ages 13 and older.

We are looking for enthusiastic young ladies, who enjoy working for the good of HIKE, to apply for these committee appointments.

Please take the time to apply by completing the enclosed application and forwarding it to Mom Donna Goede, Eastern HIKE Committee Coordinator by May 10, 2010
