Dear Bethel Guardian,

Enclosed is information on the Missouri Job's Daughters Scholarships. Please read this information at your next Bethel meeting. There will be several scholarships awarded to qualified Daughters at Grand Session in June, 2012.

It is the Daughter's responsibility to have the form completed and given to her Executive Bethel Council in ample time for them to write a letter of recommendation and meet the **required postmark deadline of March 15**. It is the obligation of the Bethel Guardian Council to prepare a letter of recommendation. Three members of the Executive Council with their titles included must sign the letter of recommendation. The letter should explain why the Council members believe the Daughter is qualified to receive a scholarship and detail the contributions the Daughter has made to her Bethel. If there are any special circumstances that will help the committee in the selection process, please feel free to add this to the letter. There must be **THREE COPIES** of the application and letter sent to me at my home address via U.S. mail.

Applications sent via e-mail will not be considered.

We do not wish to eliminate a Daughter's application simply because her Executive Bethel Guardian Council did not properly complete its portion of the application process. **Please do not jeopardize one of your Daughter's chances for a scholarship.** If for some reason you cannot obtain the proper number of signatures, please contact a committee member or the Grand Guardian for further assistance.

Be made aware that the forms and worksheets along with proper number of copies (3) must be sent in order to qualify for a scholarship. They **risk being disqualified** if items are missing on the application.

Copy the application and cover letter so all eligible Daughters of your Bethel will know how to go about completing the application and may apply before the **deadline of March 15, 2012**. Applications received after the deadline **will not be** considered for a scholarship. Remember if a Daughter has already received a scholarship, she is eligible for another one.

If you have any questions, please feel free to contact me at 314-803-5487.

Fraternally,
Scholarship and Loan Committee
